

Diocesan Advisory Committee Notification of Advice

This notification constitutes advice only and does not give you permission to carry out the works or other proposals to which it relates. A faculty must be obtained from the consistory court before the works or proposals may lawfully be carried out.

In the Archdeaconry of Brighton and Lewes

Parish of Telscombe

Church of St Laurence

The church is listed under the Planning (Listed Buildings and Conservation Areas) Act 1990. The listing is Grade I

At a meeting of the Diocesan Advisory Committee held on 13th December 2018 the following works or other proposals were considered:

Conversion of Victorian vestry to provide accessible W.C., as per specification and drawings by Richard Crook

The Committee **recommends** the works or proposals for approval by the court subject to the following provisos:

1. The following amendments should be made to the WSI:

1.3 Needs to include mention of the proposed 3 manholes

1.5 Liaison with the DAC Archaeological Adviser needs to be included

4.1 This will need to reflect amendments to the position of manholes and course of the drainage run

4.2 The text needs altering to reflect the changes to the vestry proposals, including the provision of a solid floor

4.4 No floor is to be removed in the vestry, (and the DAC Archaeological Adviser does not consider that the removal of the cupboard requires archaeological recording)

Figs 3,4 and 5 will need to be replaced with the amended drawings

This advice does not constitute authority for carrying out the works or proposals and a faculty is required.

In the opinion of the Committee the work or part of the work proposed is likely to affect:

- the character of the church as a building of special architectural or historic interest
- the archaeological importance of the church
- archaeological remains existing within the church or its curtilage

In the opinion of the Committee rule 9.9 of the Faculty Jurisdiction Rules (publication of notice on diocesan website) **applies** to the works or proposals.

The Committee recommends that the intending applicants consult the bodies or persons as indicated below:

X	Historic England
X	The Local Planning Authority
X	The Victorian Society
X	The Church Buildings Council
X	The SPAB

The reason for this recommendation is that in the opinion of the Committee some or all of the works of proposals:

- involve alteration of a listed building to such an extent as would be likely to affect its character as a building of special architectural or historic interest
- are likely to affect the archaeological importance of a church or other building or archaeological remains within the building or its curtilage

Any recommendation of the Committee as to consultation with a body or person indicated above should be followed before submitting a petition for a faculty.

This advice is valid for 24 months from the date given below.

Date: 21st December 2018

Signed:

Secretary to the Diocesan Advisory Committee
