A Retreat for Clergy, 'Abiding in Christ'

11-13th Jun 2019, 6pm-11am, Ascot Priory, Priory Rd, Ascot SL5 8RT

Clergy

See prices below

Led by Fr John-Francis SMMS

Building on some of the themes addressed in my recent book, *Enfolded in Christ – the inner life of a priest*, this silent, preached Retreat will explore them through the prism of the diamond-like Sacred Heart. Believing that we are called to abide in that Heart, Addresses will focus on: *Adoration and Solitude, Darkness and Perplexity, Eucharist and Calling.*

There will be a celebration of the Eucharist and half-an-hour of Exposition of the Blessed Sacrament for communal silent prayer each day, but no expectation that you should take part – just a hope you will find these of help. The retreat begins at 6pm so please try to arrive between 4pm and 5pm to have time to settle in. It concludes after lunch on the last day and rooms need to be vacated by 11am.

Ascot Priory was home to the Society of the Most Holy Trinity, founded in 1861 and the first Religious Order for women in the Church of England since the Reformation. The Retreat will be conducted by Fr John-Francis SMMS who was an Anglican Franciscan for 25 years until released from his Vows in 2002. By then he had become parish priest of St Andrews', Romford where he remained until 2011. During that time he trained on the *Ignatian Spirituality Course* and began teaching at the then London Spirituality Centre (now the London Centre for Spiritual Direction) where he continues to work both as a Tutor, spiritual director and pastoral supervisor. When invited he still exercises a priestly ministry and retains ties with the Franciscans.

Cost for full board:

- ◆ 7 single en-suite rooms: £175 (*allocated to those who first book them*)
- ◆ 7 single (shared facilities): £165
- ◆ 2 twin (shared facilities): £165 per person

This Retreat is sponsored by the (inclusive) Sodality of Mary, Mother of Priests

PCC's matter. They matter a lot. A healthy and functioning PCC enables a church to focus on what matters most.

But such PCC's don't just happen, they come about through thoughtful, loving and creative leadership.

This course is designed to enable an incumbent to run an efficient PCC, so the PCC may help the church fulfil the mission and ministry in that place.

God: Some Conversations — How do you speak about God?

ST GEORGE'S HOUSE

This year we are running another one of our popular ten day Clergy Consultations, God: Some Conversations - How do you speak about God? We have been greatly encouraged by the feedback we have received from recent delegates and have every reason to hope that this year's Consultation will be equally worthwhile.

The central focus of these Consultations is to reflect on how we speak about God in the modern context. We will examine some of the issues facing our world with a view to discovering the underlying theological perspectives. Each day we will select a particular issue and, stimulated by expert speakers, we will examine this through bible study, literature, discussion and debate.

We aim to provide an inspiring, open and comfortable environment, allowing people from different traditions to express their thoughts and beliefs, and to learn from each other.

The normal cost for this Consultation, which has already been generously subsidised by the St George's House Trust, is £550. However, we are pleased to offer diocesan clergy a special rate of £275. This includes attendance at the ten-day Consultation, full board and accommodation.

Archdeacon Fiona.

The Diocese of Chichester is committed to promoting and sustaining the Wellbeing of our clergy and their families. Nicola Canham, Head of Wellbeing for Clergy and their Families (WCF), is a part-time member of staff and is employed by the DOC to provide the WCF services for clergy and their families. DIOCESE OF CHICHESTER
YEAR OF VOCATION
2019

Let us know if you would like any of these days run again

Exploration Day 1: Called to Prayer

9 Feb 2019, 10am-3pm, Monastery of the Holy Trinity,
Crawley Down, Crawley, West Sussex RH10 4LH

This is a day aimed at people exploring a deeper life of prayer in the context of exploring a calling to ordained ministry in the Diocese. Any form of Christian ministry needs to be founded upon a life of prayer. But how do we do this in practice – and what are the pitfalls? Led by our Vocations Officer, the Rev Dr Paul Redparth, with input from Fr Colin CSWG.

This workshop hopes to answer these important questions. Note that, due to available space at the monastery, this event is **limited to 20 people**.

Exploration Day 2: Exploring the Church of England

4 May 2019, 10am-3.30pm, Church House Hove, 211 New Church Road, Hove, BN3 4ED

This second of our Year of Vocation Exploration Days seeks to help people understand the character of the Church of England through the prism of history. We will look at the themes of continuity and change, diversity and unity from the Reformation to the present day. There is such a variety of church practice, liturgy and even doctrine in the Church of England, so we will ask the question of where these traditions have come from. We will use the changing prayer books and patterns of worship in the Church of England as the basis of our exploration as well as looking at some of the great examples of Anglican spirituality. This is much more than a dry, academic exercise, rather akin to opening the doors of a treasure house.

Led by the Rev'd Vanessa Baron, Associate Vicar of St Mary Magdalene, Lyminster. This Day may be of particular interest to people exploring authorized ministries in the Church of England but is open to all.

Exploration Day 3: Called to Preaching

1 Jun 2019, 10am-4pm, All Saints' Church, 21A Grange Road, Eastbourne, BN21 4HE

This day seeks to bring a biblical foundation and contours to the ministry of preaching the good news of Jesus Christ, a panel discussion with preachers (ordained and lay), how to nourish your spiritual life as a preacher, and opportunities to ponder how preaching finds its role within the ordained ministry of the Church of England as well as other authorized lay ministries. With contributions from the Revd Dr Tim Ward (Tutor in Homiletics, Oak Hill College), the Revd Canon Joanna Collicut McGrath (Ripon College Cuddesdon) and others.

Exploration Day 4: Called to Social Action

7 Sep 2019, 10am-4pm, All Saints' Church, The Drive, Hove, BN3 3QE

In this, the fourth of our Exploration Days for the Year of Vocation, we explore how we might respond to God's call to bring justice to our society. Do you feel angry with the injustices that you see in your community and society, and feel God calling you to make a difference?

In this Exploration Day, we are delighted to welcome the Chief Executive of the Church Army, Mark Russell, and the Rev Dr Simon Cuff (St Mellitus College, London). With the Rev Diane Watts (Church Urban Fund), we'll be exploring how we as churches can listen to the needs of our communities and speak and act prophetically.

Exploration Day 5: Called to the Sacraments

5 Oct 2019, 10am-4pm, St Paul's, West Street, Brighton, BN1 2RQ

This fifth of our Year of Vocation Exploration Days seeks to help people understand how the sacraments are at the heart of the Christian life and how they resource mission and evangelism in the Church today. Time will also be given to those who feel called to be ministers of the sacraments in the ordained ministry of the Church of England. With contributions from Fr Andrew Walker (Vicar, St Mary Bourne Street), Fr Robert Norbury (Vicar of St Paul's and St Michael's and All Angels, Brighton, and Young Vocations Officer in the Diocese) and Canon Ann Waizeneker (Vicar, St Mary de Haura, Shoreham, Dean of Women's Ministry) and the Diocesan Director of Ordinands (Rev Dr Dan Inman).

TQQ: Life in the Spirit: Communion with our Fellow Creatures

Tue 25 June, 7:00 pm to 9:00 pm

Will the environmental crises ever cut Christian spirituality to the quick, or is the Church doomed to teach only rather half-heartedly our kinship with the rest of the living world under God? With the help of the Bible, Laudato Si, and some questions of ourselves and our tradition, we ask whether Christians could or should experience radical metanoia on behalf of their fellow creatures.

What is Our Story of Old Age? Listening and Learning from the Experience of Ageing

Wed 26 June, 10:00 am to 4:00 pm

This day will present a range of different stories encouraging participants to listen carefully to the nature of narration. There will be an opportunity for us to think and reflect upon the experience of ageing. Some of the key thinkers in this area will also play a part in our learning and reflection.

Year 2: 28-29 Oct 2020, 1 Dec 2020 portfolio, Jan-Feb 2021 Professional Dialogue

All denomination Clergy and Laity

Cost £1,350, bursaries are available

Germinate Leadership is for lay and ordained leaders in rural churches who have already displayed some creative and entrepreneurial flair in ministry and are keen to develop themselves and their skills.

The programme combines leadership theory, theological reflection on the nature of leadership in ministry and the exploration of practical leadership issues including conflict resolution, team building and group dynamics, collaboration between lay and ordained leaders, and the importance of deepening emotional intelligence.

The 18-month programme includes four residentials, a 360° leadership appraisal, mentoring and work-shadowing. A variety of learning styles are used and teaching incorporates wisdom and experience drawn from secular and church leadership spheres. The programme draws on lay and ordained ministry experience from across the denominations. Over the course of the programme, participants are required to assemble a portfolio of learning and a leadership development plan setting out ongoing development goals. These form the starting point for a professional dialogue with two external leaders at the programme's conclusion. After completion, contact is maintained through a developing Alumni network and an annual Germinate Leadership Lecture.

National Larger Anglican Churches Consultation 2019 'Tackling the Tough Stuff'

15-17 October 2019, High Leigh, Hertfordshire

Clergy and Laity

Cost £290, (early bird £250, 22 Apr 2019)

Key Speakers Jill Garrett, Tim May, Glynn Harrison, Jules Morgan

The 2019 consultation will explore how leaders within larger churches can tackle head on some of the challenging issues that can - if left unattended - limit and even undermine their mission and ministry.

The following is an overview of the issues and discussions that will make up this stimulating consultation.

BUILDING SENIOR TEAMS

The challenge of building teams of leaders (and not just 'teams') includes the following :

What are the expectations on senior team members (from within and outside the team)?

Are there any dynamics to which senior teams are particularly prone (i.e. not PCCs - but the 'exec' team in a larger church of 4 or 5 people)?

How does one as team leader equip and envision the senior team?

What does accountability and management look like in a senior team?

What is the governance relationship between the senior team and the whole church (including PCC etc.)?

GROWING RESILIENCE IN LEADERS

The call to church leadership in the 21st century is a call to leadership in a post-Christendom and largely non-Christian culture. This is a demanding context in which to lead and requires leaders to address:

How to nurture/develop resilience in oneself - particularly for those who are the main or senior leaders in a larger church context.

How to help nurture and grow resilience in and amongst our other staff colleagues (and particularly amongst young adults).

NURTURING YOUNG ADULT LEADERS

Larger churches are often an epicentre for the training of young leaders. The fruitful development of young leaders necessitates that older, more established leaders are informed about and sensitive to a number of issues:

To the differences between young adults and previous generations of leaders - sociologically/psychologically.

To what good practice regarding the discipling of young adults might look like.

To the 'blind spots' of young adults (and those of older/senior leaders!) - and how we can sensitively challenge them.

To the implications for structuring established leadership in churches, given the need to introduce young adults into leadership.

To be equipped to create opportunities for the development of young adult leaders.

CREATING AND SHAPING LEADERSHIP CAPACITY

Many leaders of larger churches are sold the myth that 'you have all the resources ' you need - the reality they experience often feels very different. In this part of the Consultation, we will explore how to:

Inspire and shape the contribution of volunteer leaders.

Structure for efficiency.

Release hidden capacity.

Pursuit, from Sep 2019 (pilot year) A year's adventure with God

Laity

18-30 year-olds

Cost as an Associate is FREE to do the Pursuit year!
There are general living costs that will need to be covered.
Placement accommodation will be provided with
breakfast and evening meal.

Pursuit is a year of their life given to God to work with a local church focused on an area of ministry that inspires them. During this time you will be given the opportunity to serve and study within the church community. It will be a chance to explore whether God might be calling them into some form of Christian leadership.

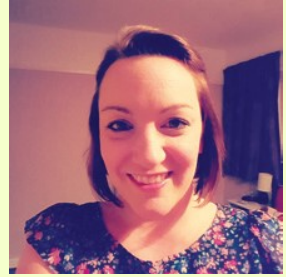

They will be located in a placement church where they will have the chance to get involved in the work and mission of that community. They will gather together with other Pursuit Associates to study and grow together. The training will include leadership skills, theology and personal development as well as participation in the diocesan Living Faith course. Each associate will be supported by a Spiritual Buddy and Line Manager as well as the Pursuit team: Dan Jenkins as DYO and Dani Taylor as Youth Leadership Development Officer.

The purpose for this year is to give time to God, to serve him and the local church whilst deepening their knowledge; theologically, biblically, spiritually and practically.

Our vision is beyond a year; this journey towards being a great leader is a lifetime pursuit. We want the Associates to catch God's vision for his people and to be the outworking of that in the world. We believe that this is a central part of being the local church and seeing our nation changed. We want to see young adults gaining hands on experience that comes from pursuing God, seeing where He's working and joining in.

A comprehensive hub of information, resources, news and events relating to safeguarding children and adults throughout the life of the Diocese. Giving very useful insight and explanation into training, policies, resources and useful links including a practical section on 'What Do I Do If?'

“Simple Quality Protects”

This section contains information about the new safeguarding programme we have launched across the Diocese to resource and improve safeguarding at parish level. This programme, Simple Quality Protects, is designed to make achieving high standards of safeguarding as straightforward as possible.

<https://safeguarding.chichester.anglican.org/trainingevents/>

The Diocese offers 3 key safeguarding training modules:

- C0 – the 'core' module that contains basic messages about safeguarding. It is an e-learning module and can be delivered to groups or even congregations, with the emphasis 'safeguarding is everyone's responsibility'. **This is on-line only.**
- C1 – the 'foundation module' that everyone who works/volunteers with children and adults in our parishes needs to complete. **This is on-line or face-to-face.**
- C2 – the 'leadership module', for clergy and for lay leaders who lead groups involving children or vulnerable adults. This is an additional module for leaders, building on the foundation of C1. It does not replace C1. **This is only face-to-face.**

Clergy are required to complete both C1 and C2 within a three year period, in order to obtain a C3 level qualification. C3 is not run separately.

Way of Living - for The Year of Vocation 2019

Available from the 2nd Dec 2018

Laity

A Way of Living is a project that ends up as a Rule of Life which could make this Year of Vocation life-changing and life-enhancing for all of us," said Bishop Martin.

On the 2nd December, the first Sunday of Advent is the launch of Bishop Martin's A Way of Living initiative.

Parishes in East and West Sussex will be provided with a range of materials and encouraged to celebrate God's calling in different ways to people of all ages.

A highlight of the year will be the launch of a new initiative to award lay people's long-standing service to their church. The 'Order of St Richard' will be presented to nominated lay people at a special ceremony in the New Year.

But baptism, confirmation and ordination will play a key part in next year's celebrations as the Diocese encourages everyone to reflect on God's unique calling to them and what it means in their everyday lives.

A dedicated Lent course will be available examining how people in different walks of life express their faith and Church Schools will also have resources made available.

The Way of Living booklet is now ready to view on the diocesan website and to order through the online shop from today or order online from today on 01903 263354 quoting code R1060BTA5

Learning about Mental Health and Nature

20 Jul 2019, 10am-4pm, Saddlescombe Farm, Saddlescombe Road, BN45 7DE

Laity

£10

Led by: Course Facilitator: Jo Wren and the team of "Growing Wellbeing"

Research is showing us that being outdoors, enjoying the things of nature is very good for our mental health. It helps us keep well and it promotes healing among those who are experiencing mental health issues.

In Brighton there are various groups based outdoors which are helping people explore these things including Growing Well Being, located at the National Trust's Saddlescombe Farm near Pyecombe. Growing Well Being is offering us a day at the farm where we will learn more about mental health and nature. It should be a very helpful time and give us much food for thought about how we could use church yards, parks, allotments, gardens and visits to the countryside to promote good mental health.

It will be led by director Jo Wren and her team and this is what she writes:

The day will include some information about how nature can be beneficial for mental health, why and how it works and something about Grow's experience of how much it has helped people; we will also go out on the hills to do something experience based so that people can feel for themselves what the benefits might be, and then look at ways that churches can use nature to help people.

I will aim to make the session interactive, experiential and fun as well as informative.'

You can learn more about Growing Wellbeing from their website: growingwellbeing.org.uk

If you have limited mobility, Jo will make the necessary adaptations to the programme. Transport can be provided in Grow's mini-bus from central Brighton for a limited number, so please indicate if you need transport. Course numbers are also limited so please book early.
