

Diocesan Advisory Committee Notification of Advice

This notification constitutes advice only and does not give you permission to carry out the works or other proposals to which it relates. A faculty must be obtained from the consistory court before the works or proposals may lawfully be carried out.

In the Archdeaconry of Chichester

Parish of Worthing

Church of St George

The church is listed under the Planning (Listed Buildings and Conservation Areas) Act 1990. The listing is Grade II.

At a meeting of the Diocesan Advisory Committee held on 11th July 2019 the following works or other proposals were considered:

Reordering including reflooring of nave and chapel with vinyl flooring; relocation of nine pews and disposal of remaining pews; introduction of Elmhurst 1 chairs by Winscombe Furniture, upholstered in 'raspberry'; replacement of existing sound system; introduction of a new AV system with drop-down screen; demolition of an external and redundant boiler house and chimney; use of space created by demolition to increase off road parking for church users.

The Committee **recommends** the works or proposals for approval by the court.

This advice does not constitute authority for carrying out the works or proposals and a faculty is required.

In the opinion of the Committee the work or part of the work proposed is likely to affect:

- the character of the church as a building of special architectural or historic interest
- the archaeological importance of the church
- archaeological remains existing within the church or its curtilage

In the opinion of the Committee rule 9.9 of the Faculty Jurisdiction Rules (publication of notice on diocesan website) applies to the works or proposals.

The Committee recommends that the intending applicants consult the bodies or persons as indicated below:

| <input type="checkbox"/> | Historic England |
| <input checked="" type="checkbox"/> | the local planning authority |
| <input type="checkbox"/> | the following national amenity societies: |

- | | |
|-------------------------------------|------------------------------|
| <input type="checkbox"/> | the Church Buildings Council |
| <input checked="" type="checkbox"/> | the Local Planning Authority |

The reason for this recommendation is that in the opinion of the Committee some or all of the works of proposals:

- involve demolition of a listed building or its alteration or extension to such an extent as would be likely to affect its character as a building of special architectural or historic interest

Any recommendation of the Committee as to consultation with a body or person indicated above should be followed before submitting a petition for a faculty.

This advice is valid for 24 months from the date given below.

Date: 19th July 2019
