

Diocesan Advisory Committee Notification of Advice

This notification constitutes advice only and does not give you permission to carry out the works or other proposals to which it relates. A faculty must be obtained from the consistory court before the works or proposals may lawfully be carried out.

In the Archdeaconry of Hastings

Parish of Eastbourne

Church of All Souls

The church is listed under the Planning (Listed Buildings and Conservation Areas) Act 1990. The listing is Grade II*.

At a meeting of the Diocesan Advisory Committee held on 14th November, 2019 the following works or other proposals were considered:

An extension of the north side of the church for the provision of toilet facilities; alterations to the lower level of the tower to provide improved kitchenette for the preparation of light refreshment which will continue to be served by way of existing counter service at the west end of the church.

The Committee **recommends** the works or proposals for approval by the court subject to the following provisos:

1. The parish should liaise with the Property Department in respect of the transfer of the parsonage land

This advice does not constitute authority for carrying out the works or proposals and a faculty is required.

In the opinion of the Committee the work or part of the work proposed is likely to affect:

- the character of the church as a building of special architectural or historic interest
- the archaeological importance of the church
- archaeological remains existing within the church or its curtilage

In the opinion of the Committee rule 9.9 of the Faculty Jurisdiction Rules (publication of notice on diocesan website) applies to the works or proposals.

The Committee recommends that the intending applicants consult the bodies or persons as indicated below:

<input checked="" type="checkbox"/>	Historic England
<input checked="" type="checkbox"/>	The Victorian Society

The reason for this recommendation is that, in the opinion of the Committee, some or all of the works of proposals:

- involve alteration and extension of a listed building to such an extent as would be likely to affect its character as a building of special architectural or historic interest

Any recommendation of the Committee as to consultation with a body or person indicated above should be followed before submitting a petition for a faculty.

This advice is valid for 24 months from the date given below.

Date: 27th November 2019

Secretary to the Diocesan Advisory Committee
