

The Bishop of Chichester
The Rt Revd Dr Martin Warner

4th March 2020

To all Licenced Clergy

Dear brothers and sisters in Christ

You will be aware of the serious on-going concerns both nationally and locally about the spread of the Coronavirus. The Church of England has dedicated pages on its website providing the most up to date information and guidelines for parishes and chaplaincies. The pages can be found at:

<https://www.churchofengland.org/more/media-centre/coronavirus-covid-19-guidance-parishes>

These pages will continue to be updated as circumstances dictate, so please check it several times a week for the latest advice. Particular attention should be paid to the guidelines covering the Sharing of the Peace and the administration of Holy Communion.

Within the Diocese, we will continue to monitor the situation and I will be in touch with further information as and when the situation unfolds.

With my thanks for our partnership in the gospel.

+Martin
