Anyone is most welcome to join me for any part of the walk.

You can see when I depart from various points along the route. I will ensure that I do not leave each point before the time indicated.

If I am not there at the time please ring me on 07714426286 and I will let you know when I am due.

I will be saying various prayers of the Daily Offices and a short Mass in various locations subject to necessary permissions. Please do join in with me with these. I will provide all materials but you should bring a face mask.

Otherwise feel free to bring your own provisions and walk with me for as short or long a spell as you wish!

You could park your car at a way point, walk with me, and then double back to your car when you have had enough. Or indeed find alternative transport of your own.

And if you want to join me for supper please let me know 24 hours in advance. Costs to be shared.

Fr Jeremy
