Preparing for Easter 2022

The focus of our 2022 Lent Course is God's consolation, as indicated by the prophet Isaiah *Comfort ye my people*. So often associated with the season of Advent, focussing on this key passage in preparation for Easter brings new insights and fresh vision.

The Bishop has invited 5 different people to address themes which emerge from a reflection of the theme.

Each week in Lent for groups or individual reflection there is...

A powerful image to awaken vision

A passage from the Bible to invite meditation

A short prayer to lift us up to God

A hymn to let our spirits soar

A PDF booklet will be available in the New Year with the five weeks clearly laid out. Links to images available online will be provided so that groups and individuals can use the image for discussion and reflection. A podcast version of the written reflection will bring the speaker into the heart of the group - each audio file will be downloadable.

Watch the e-News and website for more details.
Join many in the Diocese on this wonderful Lenten journey in 2022
