

Autumn Deanery meetings 2024

The Autumn Deanery meetings (with archdeacons and the diocesan secretary) are an opportunity for you all (clergy and fellow congregants) to learn about and have your say about funding for mission. Except for the two meetings on Zoom, the other meetings are in person at a venue in one of the deaneries sharing the meeting. The meetings are being organised by Deanery Treasurers. To contact your Deanery Treasurer you can obtain his/her contact details from the diocesan database. For help accessing the diocesan database please contact Michael.Squire@chichester.anglican.org. For any other queries please contact Anne-Marie.Mizler@chichester.anglican.org.

The evenings for these 'in person' meetings are as follows, with the addition of two Zoom meetings for those not able to attend in person:-
