First Letter of Paul to the Corinthians

*'Just as a body, though one, has many parts,
but all its many parts form one body,
so it is with Christ.*

*For we were all baptized by one Spirit so as to form one body -
Even so the body is not made up of one part but of many'.*

Welcome

Welcome to the ALM Prospectus for 2025–2026.

We're excited to introduce a refreshed programme of courses this year, including several new offerings and expanded availability across multiple deaneries. Elective modules will run from September 2025 to April 2026, providing a flexible learning experience.

The involvement of lay people in the life of the Church is far from new. From the earliest days of Christianity, lay believers played a vital role—especially in evangelism—sharing the Gospel through both word and action.

In 1 Peter 2:9, we are reminded of the priesthood of all believers, a powerful affirmation that every Christian is called to serve. Ministry is not the sole domain of the ordained; it is a shared calling, rooted in baptism and lived out in community. The Church flourishes when every member, including the laity, embraces their God-given role in His mission. Imagine the transformation if each person fully lived into their calling—what might the Church look like then?

Why Lay Ministry Matters

Empowering lay people to take active roles in ministry and leadership is essential. When the gifts of the laity are recognised, nurtured, and released, the whole Church is strengthened.

We encourage you to pray, reflect, and speak with your incumbent, fellow parishioners, or the lay ministry team at Church House. The Bible is full of stories where God calls ordinary people to do extraordinary things—perhaps He is calling you, too.

Based on our new diocesan resource 'Inspiring Faith' you will learn about the most effective ways to help new believers engage with the Christian faith, including helpful strategies and tips to ensure that you pass on the faith effectively. HEARING GOD'S VOICE

Care for Creation and Eco-Church

Aim

What is God really saying to our world today, and why is there hope for Creation? This course will provide scientific background, a theology of Creation care, and lots of practical guidance on being an Eco Church and on moving your church closer towards the Church of England's target of Net Zero Carbon by 2030. All this will be placed in the context of the **Five Marks of Mission**, the fifth Mark being *'to strive to safeguard the integrity of creation and sustain and renew the life of the earth.'*

We will examine what the Bible has to say about our role within Creation and our relationship with the natural world. We will ask where Jesus 'fits in': what's gone wrong in Creation, and how can we reconnect? We will consider what God's plans are for the future of Creation and how this shapes our actions now. We will explore how in Jesus Creation, worship and salvation all come together.

On each of the four study days we will be visiting a different church, so we can learn from their individual journeys towards becoming more environmentally sustainable parishes.

Renewing Hope in Rural Mission and Ministry

Aim

For hundreds of years village churches have been at the centre of their rural communities. A significant percentage of the rural population still see the village church as their spiritual home. These holy places provide a means of hope in an uncertain world and speak of God's unchanging love. If rural churches are to survive, they need to recover their role as hubs of community life. These churches need to recover their confidence in the transformative power of the Gospel to change hearts and lives.

Worship and Liturgy

Aim

This course aims to give a practical and theoretical grounding in the different aspects of leading and constructing worship and liturgy.

Can a Worship ALM lead a full service?

Yes, but only non-Eucharistic services (e.g. Morning/Evening Prayer, Service of the Word), and always under the incumbent's supervision. In a vacancy, wardens oversee services, and may agree for a Worship ALM to lead. Best practice encourages shared leadership. Worship ALMS are locally authorised to assist or lead non-Eucharistic worship, but not to preach (unless trained via the Preaching elective).

Assessment

The course assesses competency by completion of an assessed service plan.

The Call

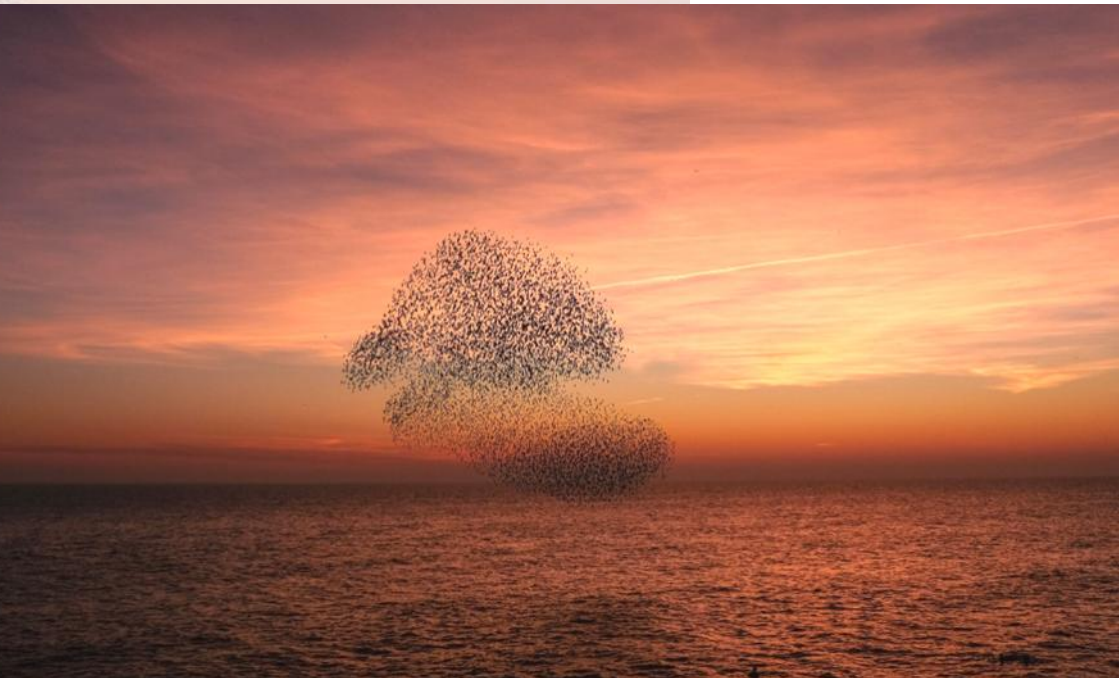

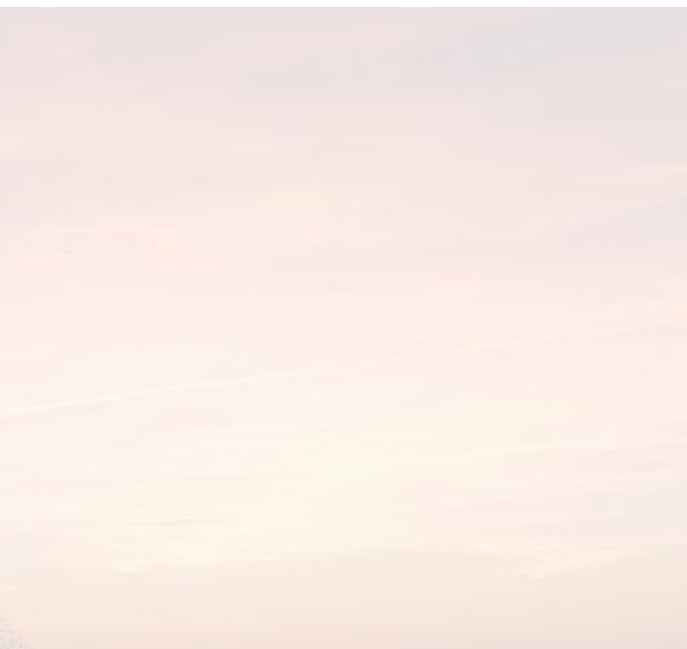

George Herbert

Come, my Way, my Truth, my Life;
Such a Way as gives us breath,
Such a Truth as ends all strife,
Such a Life as killeth death.

Come, my Light, my Feast, my Strength;
Such a Light as shows a Feast,
Such a Feast as mends in length,
Such a Strength as makes his guest.

Come, my Joy, my Love, my Heart;
Such a Joy as none can move,
Such a Love as none can part,
Such a Heart as joys in love.
