

We need a new bishop and you can help

A bishop cares for all the people in their area... that includes you, your family and everyone in your school and at your church.

Take some time to talk about these questions with your family, at your school or in your church group. Think about what you would like to tell us to help decide who God might be calling to the job.

1 Please take **five words** to describe what you hope your new Bishop will be like.

2 What do you think will be the most difficult thing the new Bishop will have to do?
Please name just 1 thing.

3 What do you think the new Bishop's most important first jobs might be? Please just **tell us 3 things.**

Is there anything else you'd like to tell us about your hopes for the new Bishop or what they can do for young people?

Let us pray

Dear God,
Giver of every good gift:
We thank you for the faithful ministry of Bishop Martin.
As we seek a new bishop to serve our household of faith,
send your Holy Spirit to deepen our trust in you,
and to guide all those who will discern the person you are calling;
that we may know, love, and follow Jesus, today and always.
Amen.

Prayer is an important way for us to spend time with God – to listen and talk to God, any time, anywhere. Prayer will be an important part of our search for a new bishop. You may like to join us with this prayer.

Thank you

You have played an important part in our search for a new bishop.
