

St Michael's Church of England Primary School, Rye, East Sussex

Head of School

Leadership Scale L3 to L5 (Dependent upon experience)

The pupils, staff and governors of St Michael's CE Primary School are looking to appoint a Head of School to join our team, starting in September 2024. We are a small rural primary school on the East Sussex and Kent border, close to the historical town of Rye. The school is currently exploring developing an even closer partnership with the Genesis Federation, made up of two local primary schools. The post will include a part-time teaching commitment. We will also consider combining the Head of School role with SENCO, if appropriate.

We can offer:

- an enthusiastic environment for learning
- a dedicated and supportive staff team who are committed to raising standards
- the opportunity to work alongside Co-Executive Headteachers from the Genesis Federation
- a healthy culture of on-going professional development for staff
- pupils who are kind, friendly, respectful and love learning

The successful candidate will:

- be an exceptional and inspirational leader
- share our Christian ethos and values
- have the vision and drive to lead the school on its journey of continuing improvement
- have excellent communication skills
- be energetic, self-motivated and consistent in their approach
- be responsible for the day-to-day leadership of the school

Visits to our school to meet the children and staff are essential. Please contact the school office to arrange a visit and go to our website for more information and an information pack.
